## trav•e•logue series artist journals

Hand-bound in European book cloth, trav•e•logue covers have just the right flexibility. Each journal contains 128 pages of heavyweight buff drawing paper with a good tooth. Great for pen & ink, pencil, and markers. Accepts light watercolor washes without buckling, and, of course, it's 100% acid-free. We wrap it all up with a durable elastic closure and tuck a very handy clear pocket in the back.

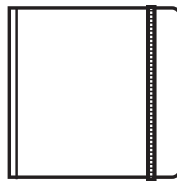

Five useful sizes are available including portrait and landscape formats and a very unique square profile. Each is available in your choice of four rich book cloth colors as shown.
